

## Strengthening responses to COVID-19 in migrant and refugee communities in Australia

### Research Focus Group Participants Wanted !!

Central Queensland University and SydWest Multicultural Services are conducting a study to understand the impacts COVID-19 in migrant and refugee communities in Australia. The information from this study will help us understand the issues of COVID-19 in this community. This information is vital to inform appropriate support services in migrant and refugee communities during and following COVID-19.

#### What is Involved?

- Being aged 18 years or older.
- Arriving in Australia as a migrant or refugee.
- Willingness to take part in a focus group discussion with 6-8 other people for about 60 minutes.
- Willingness to share your ideas, insights, experiences and knowledge in relation to COVID-19 in migrant and refugee communities in Australia.

#### Where can I get More Information?

If you are interested in being involved or you would like to know more, please contact:

Dr William Mude
